### Appendix 1

## PRICE LIST

for the fees collected by the Bulgarian Ports Infrastructure Company  
when providing services and information to individuals and legal entities

### **I. Issuance of certificates, references, written extracts, reports, statements from the registers of the information systems in Bulgarian Ports Infrastructure Company (BPIC).**

1. To issue a Sailing Permission Certificate under Art. 22 of the Regulation on the organization of border passport, customs, health, veterinary and phytosanitary control, as well as control of the vessels in ports of Republic of Bulgaria, serving international shipping – EUR 70.00 (seventy).

2. For provision of written extracts from the registers of the Directorate “Vessel Traffic Services Authority – Black Sea”, Bulgarian Ports Infrastructure Company - BGN 35.00 (thirty-five) per page (A4).

3. For issuing a dynamic report (image and sound recordings) on a digital file – BGN 300.00 (three hundred)/hour.

4. For issuing a Situation Report – BGN 35.00 (thirty-five) per digital file and BGN 35.00 (thirty-five) per page (A4) for each screenshot from an electronic map.

5. For creating a digital user profile in the Maritime Single Window system:

- one month's validity – BGN 80.00 (eighty) for Port Varna or Port Burgas;

- six months' validity – BGN 350.00 (three hundred and fifty) for Port Varna or Port Burgas;

- twelve months' validity – BGN 550.00 (five hundred and fifty) for Port Varna or Port Burgas.

### **II. Conducting organized events in the the “Seaman's House” Building - Varna:**

1. The small hall on the first floor (47 sq.m.) – BGN 45.00 (forty-five) for each hour started.

2. The Second floor Conference Hall (55 sq.m.) – BGN 50.00 (fifty) for each hour started.

3. The “Kayutkompaniya” Cafe (50 sq.m.) – BGN 45.00 (forty-five) for each hour started.

**The service is provided to all interested parties, after expressed interest and after checking the occupancy of the facilities.**

Payment for the services used is made within 10 working days after the organized event took place on the basis of a prepared and bilaterally signed statement for the time of renting the halls and an invoice issued for the provided services.

### III. Hydrographic surveying services - Sea:

The service is provided to all interested parties after expressing interest in writing and after investigating the possibility of providing the service.

1. Survey and processing of the data for 1 hectare – BGN 500.

2. Dislocation of the vessel: BGN 300 for up to 5 nautical miles from the boat's mooring. For longer distances, the price is calculated at BGN 300 for every 5 nautical miles from the boat's mooring position.

3. When carrying out surveying outside the Varna Port area, the employees of the Bulgarian Ports Infrastructure Company are paid by the assignor per diem and accommodation allowances, as per the "Ordinance on business trips in the country".

Payment for the services rendered is made within 10 working days after the surveying works and the data processing on the basis of:

- a bilaterally signed statement between the assignor and an employee of Bulgarian Ports Infrastructure Co. of acceptance of the performed service
- an issued invoice for the services provided

The map material in digital and/or paper form is provided to the assignor after payment for the service provided.
